VINYL CASEMENT
AND AWNING
WINDOW

The **Classic Collection Window** features a wider profile with frames crafted to function as a traditional, outward pivoting sash window. Commonly built as Casement or Awning windows, this series features a triple weather seal design, locking in the heat and keeping out the cold. A multi-chamber frame design provides increased strength, durability, sound abatement and energy efficiency in styles from traditional to contemporary.

1. Triple weather seal
2. Fusion welded frame & sash
3. Multipoint Lock
4. Roto-crank operator
5. Triseal Super Spacer
6. Canadian u-PVC (Vinyl)
7. Steel reinforcing
